**Norddalmatien**

10 km

Detailed description: This map shows the southern coast of Croatia, spanning from the northern tip of Istria down to the Dubrovnik-Neretva region. The coastline is dotted with numerous islands, including the large island of Pag and the island groups of Ugljan, Žut, Kornati, Murter, Kaprije, Žirje, Zlarin, Drvenik, and Šolta. Towns along the coast are labeled with their names in capital letters. Major roads are shown as red lines, with some being part of European routes like E65 and A1. National parks are highlighted in green and include 'Naturpark Velebit', 'Nationalpark Paklenica', 'Nationalpark Vransko jezero', 'Nationalpark Krka', and 'Velebit'. The map also includes labels for 'Norddalmatien' (Northern Dalmatia) in the bottom left and '10 km' scale bar. A compass rose is located in the bottom right corner.
